Fall in love with Taylor Jenkins Reid's captivating novels!

Coming soon as a major motion picture, an unforgettable debut novel about love at first sight.

Forever, Interrupted

A breathtaking novel about modern marriage, the depth of family ties, and forging your own path to happily ever after.

After I Do

Is there such a thing as a soul mate? In this new novel, one woman's fate hinges on a single decision she must make after she reconnects with her high school sweetheart at a party—and in alternating chapters, two possible scenarios unfold.

Maybe in Another Life

In the midst of her new engagement bliss, a woman's long missing husband reappears, and she must choose between one true love ... and another.
