

Danksagung

In the acknowledgment section of his book, the author extends his heartfelt gratitude towards a variety of individuals who have contributed significantly to both his life and the creation of his book. His journey of over seven years to find the right voice for his story, through six failed attempts, finally culminated with Adam Skolnick, who deeply understood and successfully captured the essence of his life's narrative. He specially thanks Jennifer Kish for her unwavering support throughout the challenging process of creating the book, highlighting her instrumental role in managing the book's affairs which allowed him to take necessary breaks.

The author does not forget to mention his mother, Jackie Gardner, acknowledging the tough life they've led and expressing appreciation for her resoluteness. His brother, Trunnis, is noted for their complex relationship yet undeniable bond in hard times. Personal connections such as his cousin Damien, friends like Johnny Nichols, Kirk Freeman, Scott Gearen, and others, are mentioned for their roles and the unique support they provided through various phases of his life.

Significant individuals who influenced his professional journey, including Steven Schaljo, Kenny Bigbee, Bill Brown, and several others from his military and athletic life, are acknowledged for their encouragement and the impactful roles they played. He appreciates people like Chris Kostman, John Metz, and Chris Roman for pushing his limits in endurance races, thereby transforming his life.

The narrative extends thanks to colleagues and professionals within the Special Operations community, healthcare, and fitness experts who have significantly contributed to his personal development and achievements. Furthermore, he extends gratitude towards Nandor Tamaska, Dan Cottrell, and others for their hospitality and support in his endeavors.

In concluding, the author thanks Scribe Media, Max Tucker, and his team for their exceptional work in bringing his story to life, highlighting the collaboration that made the publication of his book possible. This acknowledgment section encapsulates a journey of resilience, dedication, and the power of support from a diverse network of individuals.
