

Heaven on Earth

Heaven on Earth

I WANT YOU TO FORGET EVERYTHING YOU HAVE learned in your whole life. This is the beginning of a new understanding, a new dream.

The dream you are living is your creation. It is your perception of reality that you can change at any time. You have the power to create hell, and you have the power to create heaven. Why not dream a different dream? Why not use your mind, your imagination, and your emotions to dream heaven?

Just use your imagination and a tremendous thing will happen. Imagine that you have the ability to see the world with different eyes, whenever you choose. Each time you open your eyes, you see the world around you in a different way.

Close your eyes now, and then open them and look outside. What you will see is love coming out of the trees, love coming out of the sky, love coming out of the light. You will perceive love from everything around you. This is the state of bliss. You perceive love directly from everything, including yourself and other humans. Even when humans are sad or angry, behind these feelings you can see that they are also sending love.

Using your imagination and your new eyes of perception, I want you to see yourself living a new life, a new dream, a life where you don't need to justify your existence and you are free to be who you really are.

Imagine that you have permission to be happy and to really enjoy your life. Your life is free of conflict with yourself and with others. Imagine living your life without fear of expressing your dreams. You know what you want, what you don't want, and when you want it. You are free to change your life the way you really want to. You are not afraid

to ask for what you need, to say yes or no to anything or anyone.

Imagine living your life without the fear of being judged by others. You no longer rule your behavior according to what others may think about you. You are no longer responsible for anyone's opinion. You have no need to control anyone, and no one controls you, either.

Imagine living your life without judging others. You can easily forgive others and let go of any judgments that you have. You don't have the need to be right, and you don't need to make anyone else wrong. You respect yourself and everyone else, and they respect you in return.

Imagine living without the fear of loving and not being loved. You are no longer afraid to be rejected, and you don't have the need to be accepted. You can say "I love you" with no shame or justification. You can walk in the world with your heart completely open, and not be afraid to be hurt.

Imagine living your life without being afraid to take a risk and to explore life. You are not afraid to lose anything. You are not afraid to be alive in the world, and you are not afraid to die.

Imagine that you love yourself just the way you are. You love your body just the way it is, and you love your emotions just the way they are. You know that you are perfect just as you are.

The reason I ask you to imagine these things is because they are all entirely possible! You can live in the state of grace, the state of bliss, the dream of heaven. But in order to experience this dream, you must first understand what it is.

Only love has the ability to put you in that state of bliss. Being in bliss is like being in love. Being in love is like being in bliss. You are floating in the clouds. You are perceiving love wherever you go. It is entirely possible to live this way all the time. It is possible because others have done it and they are no different from you. They live in bliss because they have changed their agreements and are dreaming a different

dream.

Once you feel what it means to live in a state of bliss, you will love it. You will know that heaven on earth is truth — that heaven truly exists. Once you know that heaven exists, once you know it is possible to stay there, it's up to you to make the effort to do it. Two thousand years ago, Jesus told us about the kingdom of heaven, the kingdom of love, but hardly anyone was ready to hear this. They said, "What are you talking about? My heart is empty, I don't feel the love that you are talking about; I don't feel the peace that you have."
