Summary

BRAVE NEW WORLD

ALDOUS HUXLEY

1. "Brave New World" by Aldous Huxley

Genre: Dystopian, Classic Literature

Why you'll love it: If "**The Giver**" opened your eyes to the concept of a society with rigid control over personal choices, **Huxley's** classic, "**Brave New World**", takes this idea even further. The book introduces a world where pleasure and consumerism are used to pacify the masses, and free will is sacrificed for stability. Much like **Jonas**, the protagonist of "**The Giver**", Huxley's characters must contend with the costs of a perfectly controlled world and the consequences of their desires.

THE MAZ

2. "The Maze Runner" by James Dashner

Genre: Dystopian, Adventure, YA

Why you'll love it: **Thomas** wakes up in a mysterious maze with no memory of his past in "**The Maze Runner**". As he navigates the maze with other teens, he begins to uncover the truth behind their imprisonment. Much like **Jonas**, Thomas is thrust into a world full of secrets and struggles to find answers. If you enjoyed "**The Giver**"'s exploration of memory, control, and what it means to break free, you'll love the high-stakes mystery and adventure in "**The Maze Runner.**"

THE HUNGER GAMES

New York Times Bestselling Author

**SUZANNE
COLLINS**

3. "The Hunger Games" by Suzanne Collins

Genre: Dystopian, Adventure, YA

Why you'll love it: **Katniss Everdeen** is forced to compete in a televised death match in a world that thrives on spectacle and control. Like **Jonas**, Katniss challenges a system built to control people, and her journey highlights the human desire for freedom, justice, and rebellion. "The Hunger Games" offers a gripping survival story and a deeper look at how power structures manipulate individuals, making it a perfect follow-up for fans of "The Giver".

ME BEFORE YOU

Summary

Jojo Moyes

The Give

4. "The Giver of Stars" by Jojo Moyes

Genre: Historical Fiction, Literary Fiction

Why you'll love it: While not a dystopian novel, "**The Giver of Stars**" offers an empowering story of women pushing boundaries. Set during the Great Depression, the novel follows a group of women who deliver books to remote communities in Kentucky. While "**The Giver of Stars**" focuses on freedom through literature rather than dystopia, the themes of seeking knowledge and breaking free from oppressive systems resonate with fans of "**The Giver.**"

5. "1984" by George Orwell

Genre: Dystopian, Political Fiction

Why you'll love it: George Orwell's "1984" is another masterpiece of dystopian fiction that explores themes of surveillance, government control, and the suppression of individuality. Much like in "The Giver," characters struggle against a powerful system designed to manipulate their thoughts and actions. **Winston Smith**, the protagonist, challenges his oppressive government, much like **Jonas** does, leading to an exploration of the consequences of resistance in a world of total control.

6. "The Chrysalids" by John Wyndham

Genre: Dystopian, Sci-Fi

Why you'll love it: Set in a post-apocalyptic world, "**The Chrysalids**" follows a group of children who develop telepathic abilities in a society that punishes deviation from the norm. Like "**The Giver**," this novel explores the suppression of difference in the name of societal order, as well as the personal awakening of its characters. If you're drawn to stories that deal with the fear of "difference" and the need for individuality in a controlled society, this book is a must-read.

7. "The Children of Men" by P.D. James

Genre: Dystopian, Sci-Fi, Thriller

Why you'll love it: In a world where humans can no longer reproduce, society collapses, and power struggles ensue. "**The Children of Men**" is a thrilling exploration of hope and despair, control, and the possibility of change in a stagnant world. Much like "**The Giver**," the book challenges the concept of a "perfect" society and examines the dire consequences of losing individuality. The philosophical questions about human survival and freedom make this a compelling read.

“A page-turner and a heartbreaker, a tour de force
tension and buried anguish.” —*TIM*

Never Let Me Go

8. "Never Let Me Go" by Kazuo Ishiguro

Genre: Dystopian, Science Fiction, Literary Fiction

Why you'll love it: "**Never Let Me Go**" explores a world where students at a boarding school are being groomed for a disturbing fate. Much like **Jonas**, the characters are unaware of the true nature of their society until it's too late. This hauntingly beautiful novel explores the ideas of control, human rights, and the meaning of life itself, making it a natural follow-up for fans of "**The Giver.**"

60TH ANNIVERSARY E

FAHRENHE

9. "Fahrenheit 451" by Ray Bradbury

Genre: Dystopian, Sci-Fi

Why you'll love it: In a future society where books are banned, **Guy Montag**, a fireman who burns books, begins to question the meaning of knowledge and censorship. Like "**The Giver**," "**Fahrenheit 451**" explores the dangers of controlling knowledge and thought, as well as the importance of personal freedom and awakening.
